AFFIDAVIT IN SUPPORT OF SEARCH WARRANT

I, JOSEPH ROSSITER, HAVING BEEN DULY SWORN, DEPOSE AND STATE: I am a United States Postal Inspector and have been since May 2016. I am presently assigned to the Cincinnati Field Office of the United States Postal Inspection Service, Pittsburgh Division, with investigative responsibility for southeast Indiana and southern Ohio. Part of my responsibility involves investigating the use of the United States Mail in the transportation of narcotics, other dangerous controlled substances, and financial proceeds from, or instrumentalities used in, the sale of such narcotics and controlled substances (hereinafter, "Drugs and/or Proceeds").

Based on my training and experience as a United States Postal Inspector, I have become aware that drug traffickers frequently use United States Priority Mail Express (overnight) or Priority Mail (2-3-day) to transport Drugs and/or Proceeds. Additionally, as a result of prior investigations, law enforcement training and successful controlled-substance prosecutions involving the use of the United States Mail, I have learned of certain common characteristics and/or circumstances that indicate that a package may contain Drugs and/or Proceeds. These circumstances and/or characteristics include, but are not necessarily limited to, the following: the mailer uses different post offices on the same day to send packages, the return address is false or non-existent, the addressee is not known to receive mail at the listed delivery address, the package is heavily taped, the package is mailed from a known drug source location, the labeling information contains misspellings, the label contains an illegible waiver signature, unusual odors emanate from the package, and the listed address is located in an area of known or suspected drug activity.

On November 9, 2020, I intercepted a package (hereinafter "the Package") at the Cincinnati Network Distribution (NDC). The Package is a Priority Mail Flat Rate Box, bearing tracking number 9505506670410308324005, postmarked November 4, 2020, with the following address information:

Sender: Tyler Blake
500 N Figueroa St
Los Angeles, CA

Addressee: 4032 N Main Street
Apt 702
Dayton, Ohio 45405

Through prior law enforcement training and experience I know that Southern California is a known drug source location. I also noticed an excessive amount of taping upon the Package.

There was no name written for the Addressee information so I was unable to perform a check in CLEAR database for the addressee's information on the Package. CLEAR is a law enforcement database that is used as a tool for investigators to identify person/business and address information.

I also performed a check in CLEAR for the sender's information listed on the Package of "Tyler Blake 500 N Figueroa St Los Angeles, CA." According to CLEAR, there is no "Tyler Blake" associated with 500 N Figueroa St, Los Angeles, CA 90012.

On November 9, 2020, at my request, Dayton Police Department Officer Jeremy Stewart conducted a narcotics-detection canine "free air" check of the outside of the Package. I was present during said check. The Package was placed in a controlled area and presented to narcotics-detection canine, "Weston." As set forth in the attached affidavit of Officer Stewart, "Weston" alerted positively for the presence or odor of a narcotic or other controlled substance. "Weston" is a properly trained and certified narcotics-detection canine.

Based on my prior law enforcement training and experience as a United States Postal Inspector, the Package's address information, including (i) no known association between the sender and return address, (ii) excessive amount of taping upon the Package, and (iii) the positive alert of the narcotics-detection canine are all indicative of and consistent with Drugs and/or Proceeds in the Package.

Therefore, a search warrant to open the Package is requested.

Further, your affiant sayeth naught.

Joseph L. Rossiter
Postal Inspector

On 11/9/20, at the request of Postal Inspector ROSSITER, I responded to the DAYTON P&DC, where "Weston" did alert to and indicate upon: [describe item]

Tyler Blake

500 N Figueroa St
205 Angeles, CA

4032 N Main Street

Which, based upon my training and experience and that of "Weston", indicates there is contained within or upon the above described item, the presence or odor of a narcotic or other controlled substance.
